EXHIBITION DETAILS

The Health and Safety Trade Exhibition will be held in The Great Southern, Killarney, Co Kerry, on Friday, 9 October 2026 in conjunction with the NISO Annual Health and Safety Conference.

The Exhibition Hall is a spacious area which offers an ideal setting for the trade display of organisations interested in making contacts with health and safety professionals.

Trade displays are normally exposed to approximately 175+ health and safety delegates attending the NISO Annual Health and Safety Conference. Refreshments will be served in this area during registration and during the morning and afternoon breaks. Lunch teas and coffees will also be served here.

Exhibitor Registration and Bookings

Stand spaces may be booked immediately online. In exceptional circumstances, reservations may be made over the phone but this will incur a premium surcharge. In this case the stand space will only be reserved for 48 hours until payment is received. In the event of non payment, the stand space will be released.
